

To NYSQHA Members,

I have been an active board member of NYSQHA since 1990. I have been a board member for over 10 years. I have seen the club through its up and down periods. I continue to work for the club and its members to continue to make our shows interesting and a good time for everyone.

I have been the committee chairperson for the open futurities for several years now. I have worked hard to keep them going. We at one time had the reputation of being the best futurities on the East Coast. We kept going through the tough times and look forward to better and bigger classes ahead.

We as a club had a successful show season and we owe that all to our members.

I have always tried to listen to our members and address any problems or suggestions they may have. When voting for your 2010 directors, I would appreciate your vote so I can continue to work for the club.

Thanks so much,

Dee Hartmann
