Dear Stallion Owners,

Due to the present economic state, and the lack of participation in the NYSQHA Closed Stallion Service Sale the Board of Directors has decided to cancel the 2010 Service Sale. All future sales are also cancelled until such time that there is more interest.

NYSQHA will be finishing out the Closed Yearling Futurity for those eligible from 2009's weanling and for 2010 weanlings that are nominated to show in 2011.

We greatly appreciate your interest in donating your stallion and will keep you informed if we start up again.

We will be having a futurity class that is an all stock breed class for weanlings only at the September show please see the website (NYSQHA.com) for details.

If you have any questions due not hesitate to contact me by phone (518)883-4979 or email at surefleurtoo@yahoo.com.

Respectfully,

Diane Tetlak President
